Accordingly, each one went to his mother for something to contribute. John's mother was making cookies and gave him one for each of the others. When he came down and saw that the other little boys brought bread and butter, he exclaimed, "O, everybody eat what they brought!"

Boston, June 10.—Boston bested Detroit 6 to 5 today in a game which called out nearly every element of reserve strength in each team. Hits came frequently from the bats of the Tigers—and Red—Sox and pitchers

Thorp was one of the greatest tackles who ever represented the Blue and who there is a pronounced sentiment among Columbia men favoring his selection. This is particularly true of Columbia's old football warriors, who are especially well qualified to appreciate the ability of Thorp in such work.
